CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction, Event # 2 Director's Report

The CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction season continued this past weekend, Sunday May 30, with Event #2 taking place at Picton Airfield, Picton, hosted by St. Lawrence Auto Club (St. Lac.).

The weather was perfect in the morning with nothing but sun and a gentle breeze blowing across the open runway. The course was open and flowing in one leg and tight in the second leg, making car setup a challenge to say the least.

The field of 79 competitors managed five runs before opening the course up for fun runs. The Judy Brunner Memorial Slalom event ran the proceeds going to a great cause, the Lung Association.

I personally thought it was amusing watching

vehicles varying in size from a Toyota Echo Hatchback to a full size Lincoln MK7 "threading the needle" through the bus stop. Some others did not find it quite as amusing though....

One of the more interesting moments of the event (almost a disaster) was watching a small aircraft attempt a landing on the active runway and seeing the poor pilot almost lose control of their plane. After bouncing from one wheel to another at least eight times and almost touching the wing tips to the ground, they finally managed a safe landing. A very close call to say the least.....

The top scoring competitor for the day was none other than Stephen T. in a maroon (purple) Miata. Great job Steve, considering it was his first event in his new ride. Fastest time of the day went to Paul K. in his supercharged Miata followed by Bill R. in a MR2 (or should I say a MR1.5, a MR2 with a number of body panels missing) and Joe T. in his Subaru Legacy GT.

The next event of the CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction takes place Sunday, June 6th 2004 at Blandford Square, Woodstock, hosted by WOSCA.
