CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction, Event # 5 Director's Report

The CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction season continued June 27, with Event # 5 at the Hershey Centre, Mississauga, hosted by MSOC.

The Mazda Sports car Owners Club have a very successful Solo 2 Series, "Push It To The Limit", and know how to run great events. Event # 5 of the Regional Solo 2 Series was no exception. Great weather, although a little windy, and a great turn out of 97 competitors, mostly regional with a few "PITTL" regulars. 14 classes were represented with only one class not being filled (only two competitors).

Sponsors were out in full force with almost every sponsor being represented. It is great to see the Mobil 1 Sponsorship rep David Swain, Mobil 1 employee Yan Cote, Williams Performance Friction owner William Dickson, Mad Macs Communications owner Perry Iannuzzi, and Both Feet In's Taylor Barratt all out with Yan and Taylor competing. Of course, Tony M. was out driving Wheel & Tire Zone's Andrew Kantor's Mini Cooper S.... It's always great to see sponsors out and checking out the action.

The course was interesting with good flow that allowed some interesting lines. All the competitors managed to get in 5 timed runs on the 50 second course that included all types of corners from fast sweepers to tight decreasing radius corners. A course was challenging to say the least.

Top competitor on the day, and the winner of the Williams Performance Friction Top Competitor was Ralph O. in his Honda Prelude, driving in G Stock, dominating the class with a win of almost two seconds.
