CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction, Event # 7 Director's Report

The next event in the CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction season was on August 15. Event # 7, in the Ontario wide series, took place at the Corel Centre in Kanata. A venue located just outside of our Nation's Capitol and the hosting club was the Motorsport Club of Ottawa.

The weather was perfect and the course fast. 68 competitor including about 45 regular regional people made the trip to Ottawa to get eight runs on the 55 second course. 18 classes were represented with 11 being filled (3 competitors or more). There were a couple of classes being represented for the first time in the season.

The Corel Centre parking lot is one of the biggest, if no the biggest lot the series runs on and for most competitors that open and fast course was welcomed. The course seemed to favour medium horse powered cars with handling. It was also an interesting change, with a number of MCO competitors that have not run a regional series event, so the regulars got to compete against some "new blood".

The winner of the Williams Performance Friction Top Competitor Award for the top competitor on the day, was David S., in his F-Super-Stock Mazda Protégé. The fastest time of the day again went to Bill R. in his 1985 Toyota MR2.

A huge thanks goes out to the series registrar, Tony K., who again was the first person on site, making sure that registration goes as smooth as possible. And of course, thanks to our series sponsors; Mobil 1, Williams Performance Friction, Tsunami Technologies Group Inc./Reaction Grafix, Mad Macs Communications, Wheel and Tire Zone, Both Feet In Performance Driving Interactive CD, and CG-Lock.
