CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction, Event # 8 Director's Report

The next event in the CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction season was on August 22 and it took place at Kawartha Downs Race Track. A horse/race track/casino was located just outside of Peterborough and the hosting club was the Peterborough MotorSport Club for Event # 8 of the regional series.

The weather, again, was perfect and the course tight and interesting. The organizer, Doug L., and the PMSC group have a knack for making interesting courses out of some extremely small areas and this event was no different. 64 competitors turned up and 16 classes were represented with 9 being filled (3 competitors or more).

There were some really close battles for class wins which included a couple of upsets and first time winners. Shane G. took his first ever class win in DSS, upsetting Wes T. and defending series champion, Marshall M.. Ryan K. took his first class win in H Stock, narrowly beating Jason D. and Simon S. who were separated by 5/1000's of a second for second

place.

The winner of the Williams Performance Friction Top Competitor Award for the top competitor of the day was Bill R. in his C-Mod Toyota MR2, followed very closely by Daniel . in his Subaru WRX. The fastest time of the day went to Andrew C. in his DSP VW Golf GTi, three tenths of a second ahead of Tony K. in his Subaru WRX.

With eight of the ten events behind us and six of the ten events counting towards the series, the class and overall championships are tightening up. For the first time since Event #2, we have a new overall series leader, Ralph O., pulling ahead of the former leader Brian S.. With competitors making up for missed events and with only two events to go in the season the overall championship is tightening up with about nine competitors still in contention for the overall win.
