

CASC-OR 2004 Mobil 1 Autoslalom Championship Series
Sponsored by Williams Performance Friction,
Event # 10 Director's Report

The last event of the CASC-OR 2004 Mobil 1 Autoslalom Championship Series Sponsored by Williams Performance Friction season took place on September 25th at the Mosport's Skid Pad. The hosting club was the Oshawa Motor Sport Club and the organizer was Martin O.

The very narrow but long Skid Pad at Mosport's Driver Development Track was the scene of this final event of the year. Considering the size of asphalt surface, the course was extremely fast with some very tricky corners. The weather was chilly in the morning and there was partially cloudy conditions all day with temperatures about 20 degrees.

43 competitors were out for this last event, the lowest number of the season. Quite a few of the competitors in attendance were co-driving other competitors vehicles leaving a couple of the larger classes running against PAX (a performance indexing system used to score under filled classes).

With the narrow skip pad, the course was limited to having only one competitor out running at a time, but we still managed to get six timed runs in and stopped for a 45 minute lunch break. During the lunch break, most competitors made their way over to the canteen at Mosport's Big Track where the Porsche Club had a lapping day going on. What a delight that was, all of these Solo people oohing and aahing over the 70-100 Porsches that were present, from the entry level 914's and Boxster's to the fully race prepped GT3's..... a lot of beautiful and expensive equipment.

The winner of the Williams Performance Friction Top Competitor Award for the top scoring competitor of the day was Jay H. in his Mitsubishi Mirage followed very closely by Jeff W. in his Mazda Miata. The fastest time of the day went to Paul K. in his Supercharged Miata, just under two tenths of a second ahead of Pat Y. driving his Honda Civic Si.

In the ten events this year, we had ten different winners of the Williams Performance Friction Top Competitor Awards. That shows that there are a lot of good and consistent competitors in Ontario and some super competitive classes. Good job to all ten winners.....

With all ten events now finished, we have a new CASC-OR 2004 Mobil 1 Autoslalom Championship Series sponsored by Williams Performance Friction Overall Series Champion in David S. and his Mazda Protégé running in F Super Stock. Congratulations to David for a job well done and he will be receiving the Overall Champion Trophy that he can drive home from the banquet (it is large and equipped with a steering wheel!).

The 2004 Top Novice goes to David's brother, Brian S. in his MazdaSpeed Protégé who took not only the Novice Championship, but the D Stock class and came second in the Overall Championship. Now that is keeping it all in the family!
