 Event # 2 Director's Report**

The second event in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News' On The Grid magazine had the regional competitors out to Mosport's Driver Development Track. The event was hosted by the Oshawa MotorSport Club and the event organizer was Jeff Christie.

After a full week of 30 plus degree Celsius temperatures and humidity above 60%, June 11th was no different. By 7:30am temperatures were already in the upper 20's making unloading the car, changing tires and course walks a big deal. OMSC were very smart in bringing over 400 bottles of water for the marshals and competitors to help prevent dehydration. I am sure that without this, a number of competitors would have had a hard time making it through the day as the sun and heat were relentless.

OMSC had a change for 2005, instead of running their Regional event on the Mosport Skid Pad, as they had in previous years, they rented the Mosport Driver Development Track and used the upper half (the old Powell Track) for the Solo 2 event. This peaked competitor interest and by the time the first organizer had shown up, more than 25 competitors were already on site and preparing for the day's event.

A lot of Ontario's Solo 2 competitors had never been on a "race track" before, so this event was an eye opener for some. Cones were strategically placed (it was a Solo 2 or Autoslalom event after all) to keep competitors on the grey stuff and away from the green stuff making the event safe for all. 71 competitors, all series registered, ran on the 55 second plus course and all managed to get 6 full runs in before 4 pm.

The next event in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News is June 26th at Blandford Square in Woodstock and is hosted by the Western Ontario Sport Car Association.
