 Event # 3 Director's Report**

The third event in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News' On The Grid magazine was organized by Marshall M and hosted by Western Ontario Sports Car Association (WOSCA). Event #3 in the series took place at Blandford Square in Woodstock, Ontario.

The two week long extremely hot spell in Ontario continued with another sweltering day in Woodstock, with temperatures reaching 45 degree Celsius in the parking lot at Blandford Square. Unfortunately there wasn't even a breeze of any note to help with the temperature and humidity.

Each club seems to have their signature course feature and WOSCA backed that up by having the “WOSCA Carousel” around the light standard in the north west corner of Blandford Square’s lot. The course was flowing and fairly fast, with optional lines through at

least some of the faster corners, making for an interesting layout.

There were a couple of great class battles going on all day, raising the level of competition in those classes. C-Stock had Steve T's Exhaust Research sponsored Mazda Miata come out on top of Rob T's www.canalignment.com Miata by 81/1000's of a second. C-Street Prepared had Jay W narrowly beating Paul K, both driving Mazda Miata's. Mike A just clipped Luca P by 45/1000's of a second in D-Street Prepared, both driving Subaru Impreza 2.5 RS's, to take the class win. In D-Super Stock Ralph O in his Honda Prelude just nudged Ryan B and his

The fastest time of the day went to Jay W in his NoyzBoyz.com Custom Exhaust / WheelandTireZone.com Mazda Miata, just beating out Paul K's Miata and Tim F, in one of his first

events, came out on top of the Novice list in his Honda S2000.

After the third of ten events in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News, Daniel F maintains his championship lead with Brian S taking over second place, after the overall event win, moving Trung D down to third in the standings.
