 Event # 4 Director's Report

The fourth event in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News' On The Grid magazine was organized by Doug L from Peterborough Motor Sport Club (PMSC) and took place at Douro Community Centre just outside of Peterborough, Ontario.

As the record temperatures through the early summer in Ontario continue, class and series battles were heating up as well as 51 competitors made the trek to Peterborough. The lot at Douro Community Centre, unfortunately, is not the biggest lot in Ontario, actually the lot is about a quarter of the size of the lots that are usually used for Autoslalom events. Lots are extremely hard to come by in these days of insurance paranoia and PMSC made the best of their lot and set up a course that flowed nicely allowing competitors to use 2nd gear for a good portion of the course. It also levelled the playing

field, giving the lower classed cars a chance to put in times that rivalled the classes above the. This did cause some issues with pax (a performance indexing system used to equal the field) as the top five scoring competitors were all from H-Stock, the lowest class.

There were a couple of extremely close class battles throughout the day. F-Street Prepared had Joe T in his Marinos Subaru/WPFRI/Wheel & Tire Zone/Japanese Automotive/Bully Clutch Subaru Legacy GT just nipping Tod F's Honda Civic by 24/1000's of a second. In C-Stock it was Rob T in a www.canalignment.com sponsored Mazda Miata beating Luc S in another Miata by 2/10's of a second. In E Stock (the other Miata class), Brian L, in his Miata, just beat out Yvan R's flamingmoes.com / Sentex Communications / McCarl's / CP Racing / Wired Motorsports Miata by a mere

39/1000's of a second. Another close battle was in G-Stock where Cliff S in his Plymouth Neon nudged Ed F's Acura RSX Type S by 88/1000's of a second. One of the best battles was down in H-Stock with five competitors within 7/10's of a second of each other with Hanif P in a Honda Civic beating former Series Champion Marshall M in his Thames OK Tire and Service Honda Civic by 2/10's of a second.

The top scorer of the event was Hanif P in a co-driven Honda, followed very closely by Marshall M, Pete M, Simon S, and Guillermo A, all from H-Stock. Fastest Time of the Day went again to Paul K in his

supercharged Mazda Miata beating out Mike A and his Subaru Impreza 2.5 RS on his last run of the day. The top novice was Josh C in his H-Stock Mazda Protégé, for the first time.
