 Event # 8 Director's Report**

The eighth event in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News' On The Grid magazine took place on August 27<sup>th</sup> at the Bracebridge Kart Track. The event was organized by Joe Trinidad from the Subaru Performance Driver's Association (SPDA), a new club this year in the CASC-OR fold.

SPDA may be the "new kids on the block" but most of the key people involved in the club have been around for a while now. Last year they got their feet wet by co-hosting a Solo 2 School at the Hershey Centre in Mississauga. For 2005, SPDA became affiliated with CASC-OR and decided to step up and organize their first Regional Solo 2 Event. The planning for this event did have it's trying times as they were originally supposed to host this event at the Corel Centre in Kanata, the day before the Motorsport Club of Ottawa's Regional event.

The Corel Centre then pulled the plug on the weekend and both clubs were left scattering looking for a new date and/or venue.

The Bracebridge Kart Track was used for a Regional Solo 2 Event in 2003 and the founding members of SPDA decided that they should resurrect the venue for their part of the Ontario wide series. The weather was perfect up in Bracebridge and the two hour drive in the morning, from Toronto, was uneventful, probably because most of us were on the road before 6 am.

The way it worked for this Solo 2 event to happen on a kart track was that if any competitor got a tire more than half off the track, just far enough to kick up some dust, they were considered off course and received a DNF for the run. This was done to keep things safe and under control. The event did go off without serious incident.

## Brian S was the Top Scorer for the Day

The Top Scorer for the day was last season's Novice Champion and Runner-up in the Overall Championship, Brian S and his D Stock MazdaSpeed Protégé. Brian had been quick all day and just managed to beat out the two-time Series Overall

Champion Marshall M and his H Stock Civic for the 100 points. The Overall win vaulted Brain from fourth in the Overall Championship up to second place. Marshall M's close second moved him from fifth to third in the Overall Championship, moving Daniel F and Trung D down to fourth and fifth respectively.

Maurizo D, in his F-Super Stock '92 Subaru Legacy GT was the top scoring Novice for the event. The fastest time of the day went to Paul K in his C-Street Prepared Supercharged Mazda Miata.

The ninth event in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News is August 29th at the Brampton Centre for Sports & Entertainment and is hosted by HADA Motorsport Club.
