 Sponsored by Inside Track Motorsport News' On The Grid,  
 Event # 9 Director's Report**

The second last event of the ten event CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News' On The Grid magazine took place on August 28<sup>th</sup>, the day after Event #8. The double header weekend had the field of competitors drive from Bracebridge on Saturday to show up Sunday morning at the Brampton Centre for Sports and Entertainment. This event was organized by the Overall Series Championship leader, Hanif Premji and HADA Motorpsort Club.

Most of the Ontario Regional Solo 2 circus had left Bracebridge at 4 pm on Saturday, only to start showing up the next morning in Brampton at 7:30am to partake in HADA's offering to the series. Five of the Ontario Regional competitors had just arrived back from the trip out to Red Deer Alberta for the ASN Canada FIA sanctioned 2005 Canadian Autoslalom Championships on Thursday or Friday, including three

members of the various Ontario Solo 2 Committees. August was definitely a very busy month, with regional and national events on every weekend.

The weather was again gorgeous and the course was as open and fast as the confines of the Brampton Centre's lot would allow. Most competitors clocked in with between 54 and 58 second run times. The event organizer did a great job with the course layout, one of the better courses of the 2005 season.

With the season drawing to a close, the tension was higher than the usual events and the competition was definitely heating up. Class, Novice and Overall Championships were all at stake.

Daniel F was out in his new 2005 Mini Cooper S, which was grouped into G Stock, a class which the community is questioning. Regardless, Daniel dominated Overall for the event, soundly beating Robert T. and his C Stock [www.canalignment.com](http://www.canalignment.com) sponsored Mazda Miata, moving him up one spot in the Overall Championship.

The Top Novice for the event was Maurizio D, but that result is still unofficial as there was a protest launched against two competitors at this event, which could affect the Novice Championship. The protest and appeal is still in process and should be resolved shortly. Protests and appeals are a necessary part of our sport, but unfortunately affect the immediate outcome of events.

The Fastest Time of the Day again went to Andrew C and his C-Modified Volkswagen Scirocco, over a full second ahead of the second fastest competitor.

With only one event left in the ten event season, it is looking like Hanif P. has the Overall and H Stock Class Championship all but wrapped up, but as Murray Walker would say, “Anything can happen in motorsport.....and usually does!”

The last event in the CASC-OR 2005 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsports News will take place on September 18th at the Molson Centre and will be hosted by Twin Lake Motorsport Club (TLMC).
