**Event # 4 Director's Report**

Event 4 of the CASC-OR 2006 Mobil 1 Autoslalom Championship Series Sponsored by Inside Track Motorsport News, was the first event in the second double header weekend of the season and was held on June 17<sup>th</sup> 2006. This double header weekend, two weeks after the previous one, took place at Bronte GO Station in Oakville and the Saturday event was hosted by Competition Corvette Club (COMP). 64 competitors attended the event, which considering this was the first event in the Greater Toronto Area, was quite a bit lower than expected. The 2006 Series overall attendance is a little lower than the last couple of seasons and this mostly due to the bulk of the events taking place outside the GTA, something that will change for next year.

The weather was almost perfect for an Autoslalom event, sunny with cloudy periods and temperatures that were hot yet reasonable although the humidity was a bit high.

Event 4 definitely produced some interesting class battles. The closest by far was in G Stock where the top five were separated by one second and the top two were separated literally by a hair. Mike M in his MOSI Race Dynamics Mazda Protégé MP3 just edged out Trung D in his Subaru Impreza RS by a mere 6/1000ths of a second

for the class win. Cliff S in a Plymouth Neon was another half second back of second place in third with Ryan M in a borrowed Mazda Protege MP3 in fourth another tenth further back of Cliff.

In D Modified long time competitors and COMP members Eric J and Timo L, both driving Eric's "Nuclear Banana" Corvette, were four tenths apart with Ottawa's Alain H in his Subaru Impreza RS another three tenths back of Timo for third. Eric did have some issues with his high strung Corvette, breaking a drive shaft on their last run. They had the car fixed for the next day's competition though....

F Super Stock was close as well with Jason D and his SIERRA Equipment / www.intralink360.com / Pathfinder Lubricants / CG-Lock Honda Civic edging Steven D in his Mazda Protoge5 by three tenths and SPDA's Andrew R in third a further tenth back of Steven.

C Stock, the stock Miata class, had Eric R in his Mazda Miata nudging another Miata driven by Curtis S by three tenths of a second. In D Super Stock Brian L and his Type R managed another class win, this time over Ottawa's Robin E and his Subaru Impreza 2.5 RS and in E Street Prepared Paul M in a Subaru WRX took the top spot from Tashko S in his Mitsubishi Eclipse GSX by three tenths of a second.

The "Northern Motorsport Top Scorer Award" for Event # 4 went to the reigning Overall Series Champion Hanif P and his D Stock Acura Integra Type R with the perfect score of 100 followed by another D Stock competitor, Bill R, who showed up, this time, in a MazdaSpeed Protégé with a score of 98.449 and third was Rhys H in his E Super Stock Subaru WRX with a score of 98.264.

The fastest time of the day went to Andrew C in his C Modified Greenview / Can Alginment / Mannheim Motor Oil / Pathfinder Lubricants sponsored Volkswagen Scirocco with a time of 41.374. Andrew was followed by

the B Street Prepared Subaru STi of Kyle L with a time of 41.608 then Paul K's Mazda Miata from C Street Prepared with a time of 41.942 seconds.
