COVID-19 PROTOCOLS FOR CTTR JULY 17-18, 2021

These guidelines are provided to mitigate the spread of COVID-19 between participants and carrying it into the wider community. CASC-OR supports taking a pro-active role to employ behaviours and protocols as defined by the Federal, Provincial, and local guidelines that helps to protect the health of those attending events.

Considering the current COVID-19 situation, every attempt will be made to mitigate the risks of exposure to the COVID-19 virus. **Ultimately, it is your responsibility to assess the risk to you, both on-track and off, and to make the decision on whether or not to participate.**

It is a community responsibility to take the health and safety of your fellow participants and ensure everyone follows these guidelines to ensure the continued health and safety of everyone at the event. A failure to act responsibly could result in the cancellation of all motorsports events for the duration of the pandemic.

Please follow the guidelines outlined and remind others around you to do so throughout the weekend as needed.

General Guidelines

1. Event will be open to participants only.
2. No tickets or waivers will be issued at the entrance gate. All participants must be registered to be on CTMP premises during the event. Only participants of the event will be permitted on the property – this is a **non spectator** event at this time.
3. If you are feeling unwell or experiencing COVID-19 symptoms such as fever, cough or shortness of breath stay home.
4. If you have been in contact with someone who has been experiencing these symptoms in the last two weeks, stay home.
5. Entry will be limited to 1 driver and 6 team members. Teams are requested to bring the minimum number of people to the event in order to function safely.
6. Minors may be designated as team members (subject to the usual regulations regarding minor participation in events).
7. It is required that all participants wear a mask/face covering when physical distancing of 6 feet is not possible. Competitors are required to bring their own PPE including a mask.
8. Social distancing protocols (6 feet) must be observed when outside of your team/car awning.
9. Only those associated with the car will be permitted under the awning of said car. Discussions must take place outside of the awning with masks on and social distancing protocols in place.
10. Wash or sanitize hands frequently, cough/sneeze into sleeve, avoid touching eyes, nose, and mouth with unwashed/unsanitized hands.
