**COMMENTS: - e.g. schedule changes approved, suggested rule clarifications, and safety concerns.**

- 1, Started Saturday with 4 lights due to light "E" not operating again this weekend.
2. Schedule "B" in effect for the weekend.
3. Started Saturday racing in a counter-clockwise direction.
4. Saturday reduced the Street Cup races to 5 Laps due to only two cars signed up.
6. Craig Willis had an issue he came with after the last race with 119 Ian Johnson who hit in turn 1 during the 2nd last race. Ian Johnson had left the track, so I will have to speak with him at the PMSC weekend.
5. Sunday: The fifth light of the light system was repaired and for the first time this year we have all working.

BARC ran a very well organized and executed event. It should be noted that there were a lot of new volunteers with BARC which speaks volumes for their ability to adapt, as well as for the future of club.

Clerks Notes:

1. Car 12 told to have his front facing number in place for the next event.
